Career

Working at Ooms is working within an organization which is able to execute projects from the start to the completion; from the underground infrastructure, development, construction and real estate, up to the above ground infrastructure.

Working at Ooms is working in a family business with almost a 100 years of experience, with an open and informal organization culture. Because of this, a lot of employees have been working within the organization for a long time. The care and welfare for its employees are Ooms' high priority, because the workers are the engine of our organization.

Ooms is regularly on the look-out for talented and enthusiastic staff at all levels who can make a contribution to our company's growth and profitability. Employees of Ooms have a lot of responsibilities and chances to develop within the organisation.

Does Ooms appeal to you? Look under jobs and see if there are opportunities within our organization for you. Are there currently no vacancies which fit your interest or education level? Send an open application so we can inform you as soon as a new feasible vacancy becomes available.
