Inter Airport 2015 Munich, Germany.

In October 2015 Ooms was one of the 675 exhibitors (out of 44 countries) at the Inter Airport exhibition in Munich. Approximately 12,700 trade visitors from 110 countries experienced 4 days of innovation and find out about the latest trends in the airport industry. For Ooms the specialists of the airport industry from all over the world were the most important target group. Besides the various contacts with the airport managers, also contacts were established with consultants and contractors. Ooms also presented the latest innovation SolaRoad and it was surprising how many people worldwide already know this product. In short, a lot of leads for follow-up.
